

16 HUDSON ER

10 shorts
Ages 4-7

Welcome to 16 Hudson ER, a series of Public Service Announcements about Health and Safety.

This series originally started as a response to Covid-19 and educating families on Coronavirus. It has now been extended to include all types of topics including Fire, Water and Traffic Safety.

We hope to inform and empower kids with these fun, informative and powerful short videos showcasing our beloved 16 Hudson characters.

Episode 1 - Lola's Sneezing School

Physical distancing at home can be fun. Lola holds school and teaches her family about the right way to sneeze if you have a cold.

Episode 2 - Washing Hands

Sam rushes home as usual and forgets to wash his hands. His elderly grandmother makes sure he corrects this and informs him that he needs to protect her as well.

Episode 3 – Coronavirus Game Show

Lili sets up a game show on the balconies of the 16 Hudson courtyard to see who knows the most facts about Coronavirus.

Episode 4 – Social Distancing

Dressed in his favourite chicken costume, Sam goes out of his way to help his neighbours during lockdown. Offering Mrs. O to go grocery shopping is just one of his many ways to help!

Episode 5 – Luc’s News Hour

At Luc’s News Desk, we find out why social distancing is important. With the help of his friends at 16 Hudson, he discovers new ways to have fun while still staying safe!

Episode 6 – Detector Check

Part of a family fire safety plan is planning to check that the smoke detectors are working. Luc learns how!

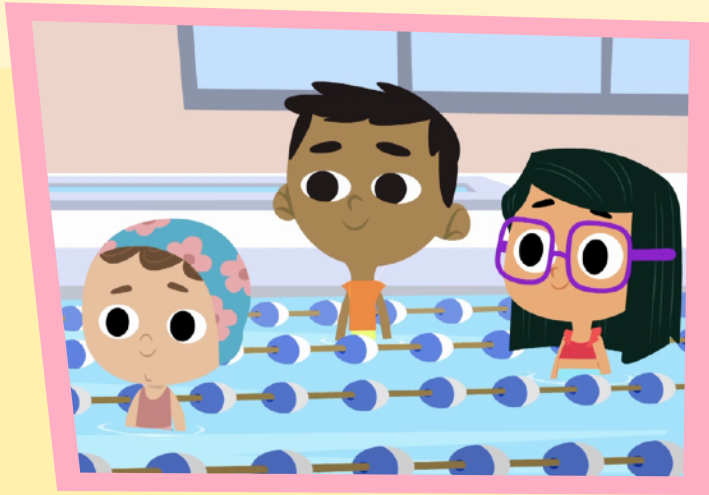

Episode 7 - Bicycle safety

At a helmet fashion show, Lola knows what's always in style and that wearing helmets is not just safe but also fashionable!

Episode 8 - Fire Safety Games

During 16 Hudson's Fire Safety Games, Amala learns that the best fire safety plan is making sure your family has one!

Episode 9 - Pool Rules

Before swim team tryout, Eddie makes sure his team knows the rules around the pool and water safety.

Episode 10 - Traffic Safety

Soccer balls may not know the rules of traffic safety, but Amala does!
