

# The Bravest KNIGHT

**T**he Bravest Knight is the story of a young pumpkin farmer, named Cedric, as he attempts to become the greatest knight who ever lived.

Now grown and married to the prince of his dreams, Sir Cedric recounts his fairytale adventures to his adopted daughter Nia, showing her the paths and pitfalls that await her on the way to knighthood.

Accompanied by his best friend, a bridge-less troll named Grunt, Cedric's lifelong quest to fulfill his destiny takes him through a world of witches and giants, and ends with the toughest challenge of all: teaching his daughter to do the same.

Ages 6 - 11  
13 x 11 mins

### EPISODE 1: CEDRIC AND THE TROLL

As Nia learns the proper ways to attempt a tower rescue, Sir Cedric recounts the first time he met his troll friend, Grunt, and escaped the clutches of a tricky witch.

### EPISODE 2: CEDRIC AND THE GREEN LEAF

Nia's jousting lesson turns into the story of Sir Cedric's first tournament as a Not-Yet-Knight, and the folly of underestimating your opponent.

### EPISODE 3: CEDRIC AND THE CAVE

Nia is taught how to track in the woods as she hears the tale of Cedric and Grunt hiding from a Yeti in a mountainside cave. By being resourceful, they are able to slide past the beast and find the secret to its anger.

#### EPISODE 4: CEDRIC AND THE GIANT

As a part of the royal family, Nia must learn the importance of generosity. Sir Cedric remembers the time when a greedy giant captured him and Grunt, forcing them to enlist the help of a magical flute.

#### EPISODE 5: CEDRIC AND THE FAIRIES

In order to end a fight between Nia and Grunt, Sir Cedric explains how he helped fairies rid themselves of a bothersome bear problem.

#### EPISODE 6: CEDRIC AND THE DARK CASTLE

Cedric and Grunt sneak into the Dark Castle to find the map to Grunt's bridge. Instead, they befriend a messenger raven named Saylor and must escape from the dragon that has been secretly living inside the castle.

## EPISODE 7: CEDRIC AND THE WIZARD

Cedric, Grunt, and Saylor go to the Royal Castle to tell the Queen and King about the dragon. When a wizard freezes the entire Royal Court, it is up to the trio to stop her.

## EPISODE 8: CEDRIC AND THE SEA MONSTER

Nia's interest in the Serpent River sparks a tale of adventure from when Cedric, Grunt, and Saylor had their boat pulled underwater by a sea monster.

## EPISODE 9: CEDRIC AND THE POTION MAKER

Nia learns the value of believing in yourself, as Sir Cedric tells the story of a magic dragon egg, a mysterious potion maker, and a missing lava newt.

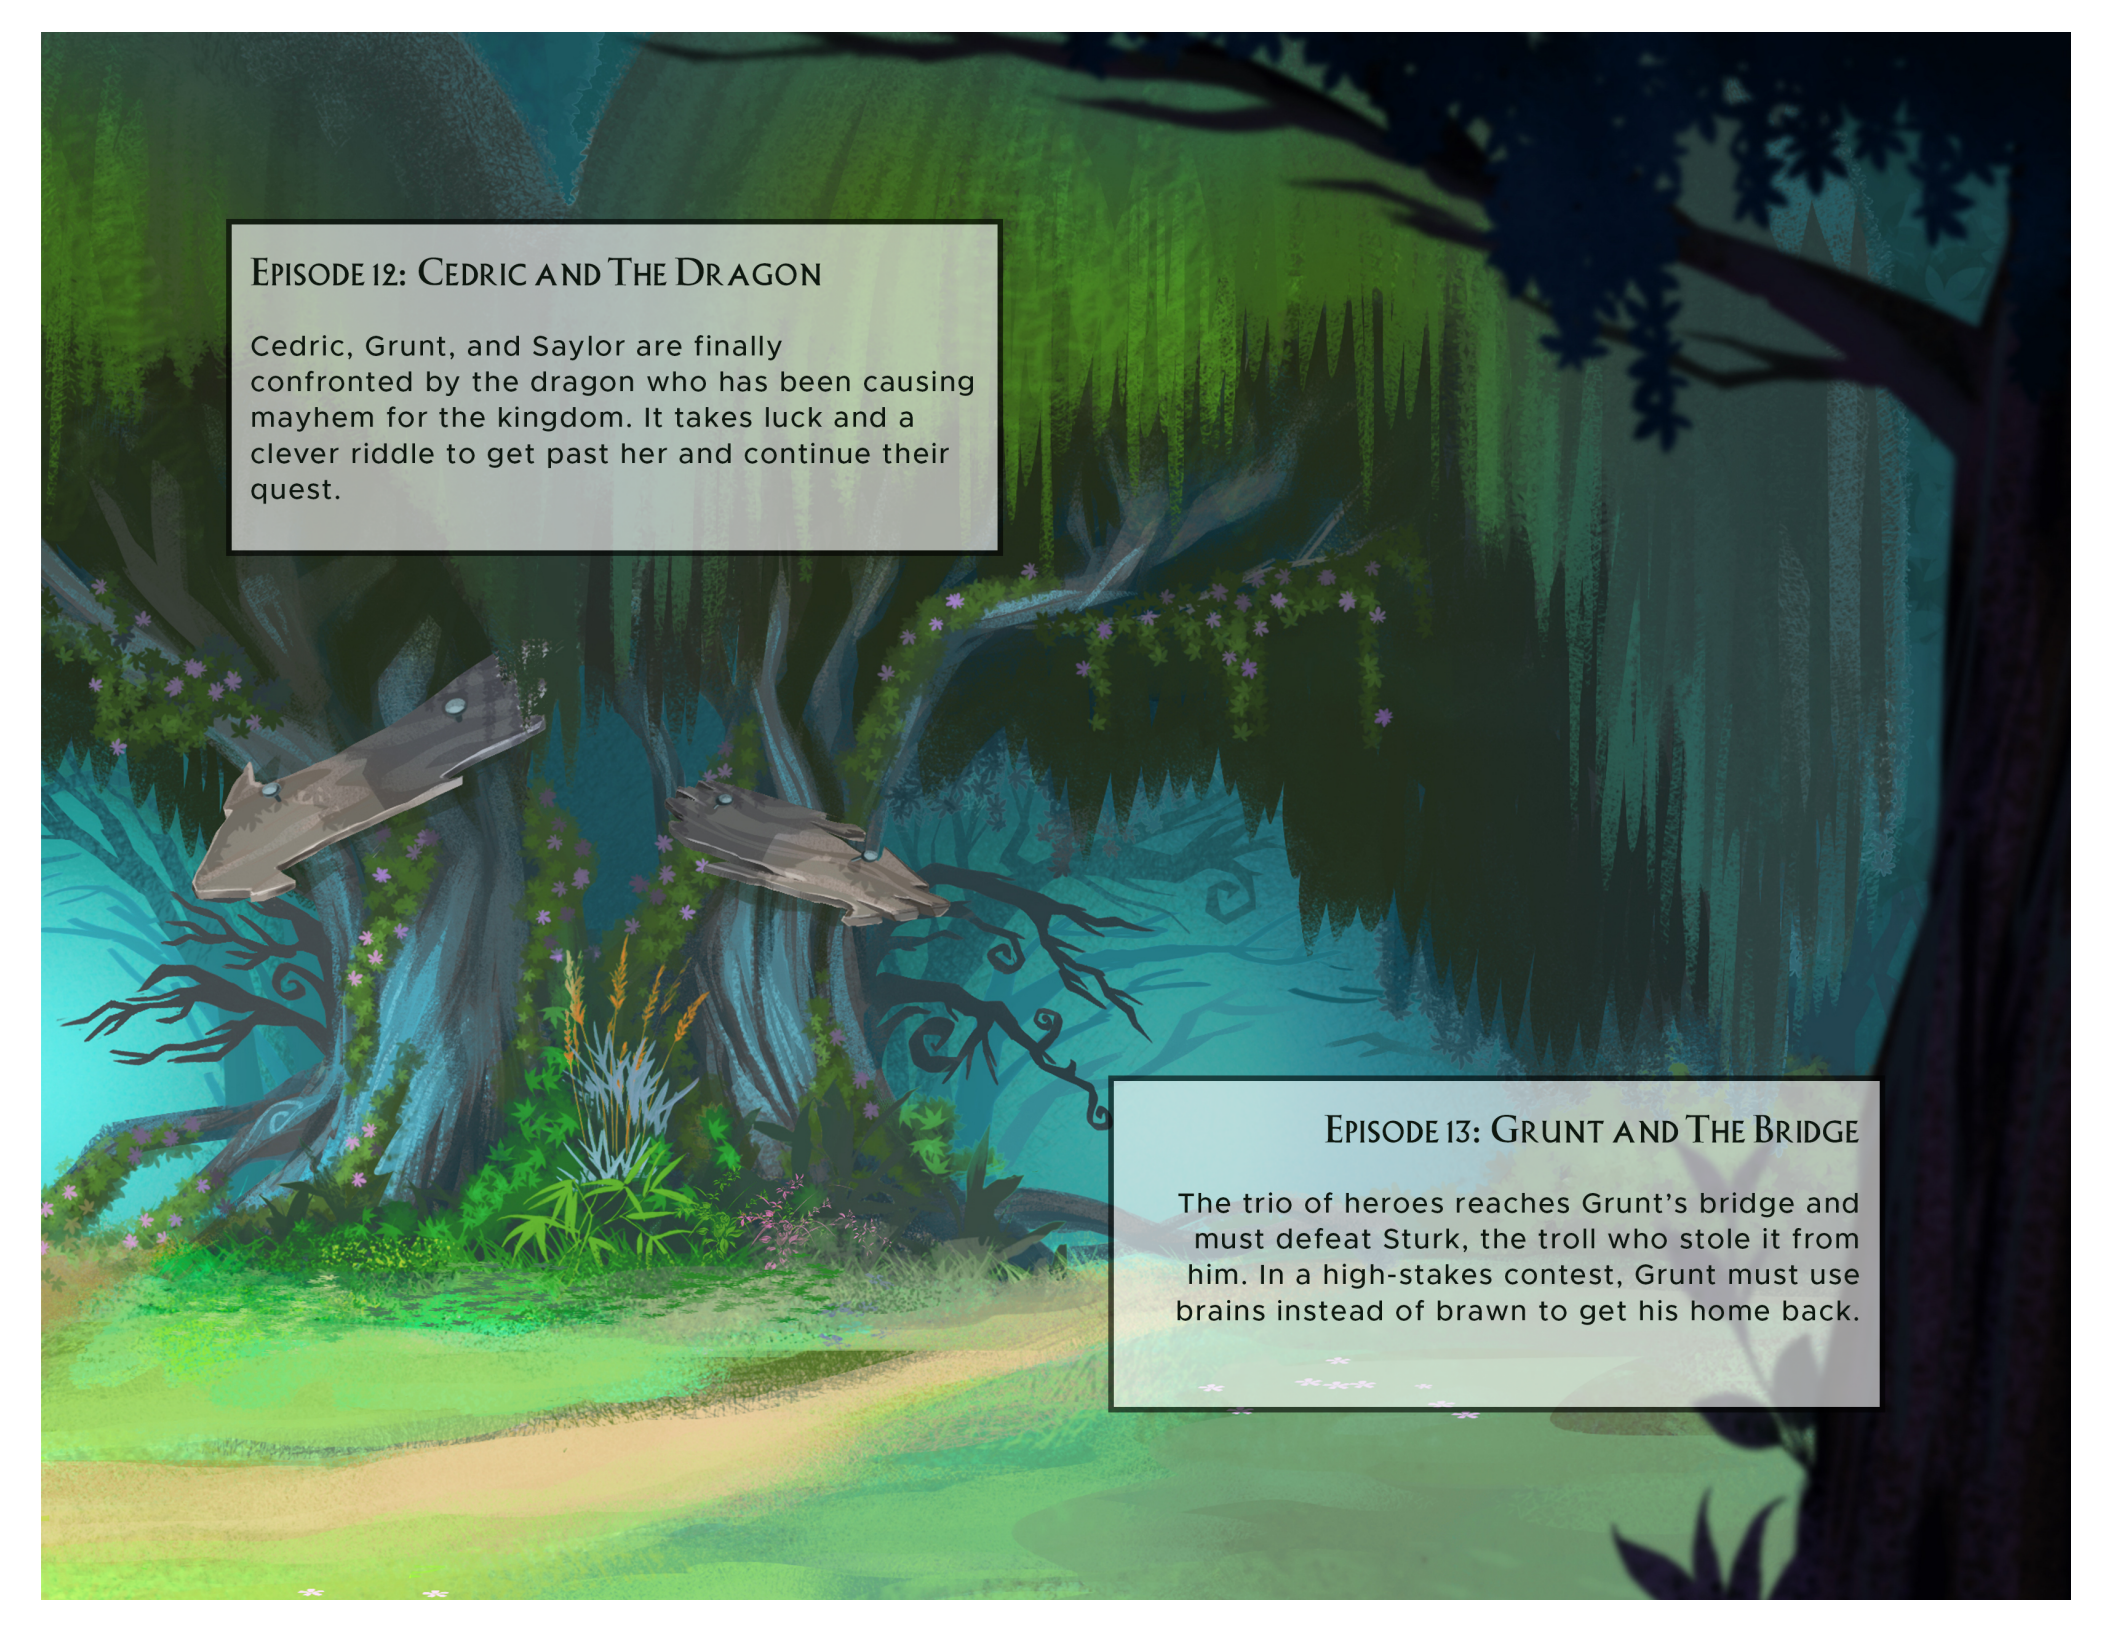

## EPISODE 10: CEDRIC AND THE BIG BAD WOLF

Investigating a call for help on a carrot farm, Nia hears about the time Cedric, Grunt, and Saylor had to save a town from a Big Bad Wolf who was more misunderstood than menacing.

## EPISODE 11: CEDRIC AND THE PIXIES

As Nia becomes overwhelmed with Not-Yet-Knight responsibilities, Sir Cedric explains that he was once in over his head too, when a pack of wild pixies overran a quiet town.

## EPISODE 12: CEDRIC AND THE DRAGON

Cedric, Grunt, and Saylor are finally confronted by the dragon who has been causing mayhem for the kingdom. It takes luck and a clever riddle to get past her and continue their quest.

## EPISODE 13: GRUNT AND THE BRIDGE

The trio of heroes reaches Grunt's bridge and must defeat Sturk, the troll who stole it from him. In a high-stakes contest, Grunt must use brains instead of brawn to get his home back.
